

BIRD-WATCHING BINOCULARS

D.I.Y. Guide

A VIRTUAL CAMP HAPPY RESOURCE

STEP 4. Once you've made your binoculars, you can personalize them however you'd like!

STEP 1

You'll need heavy string or rope, strong tape and recycle toilet paper rolls

STEP 2

Place toilet paper rolls side-by-side and secure firmly with tape.

STEP 3

Allow your string to form a U-shape and place the ends on each side of the toilet paper rolls. Secure with tape.
