

Four Seasons

Art can be so much more than a painting. Art can include, music, dance, painting, sculpting and so much more! Learn how to tap into your inner artist in today's camp.

Baby, It's Cold Outside

Brrrr, it's cold in the wintertime! And at Virtual Camp Happy, we can have snow in the summertime! Learn how to make your own Snow Fluff with Camp Happy Counselor Carly Baker by watching [this video](#).

Spring Fever

The arrival of spring not only brings the arrival of beautiful rain showers, it brings beautiful lady bugs! These tiny, color insects are most popular during warm weather months – Spring through Fall – and can be seen in gardens, in homes and just about everywhere ... including Virtual Camp Happy. Join Camp Happy Counselor Isabel Unguru as she shows you [how to draw your very own ladybug](#) in this great tutorial.

Summertime, Summertime, Sum-Sum-Summertime!

Time for some fun with the sun ... if you're inside! Enjoy [this summer-themed activity booklet](#) made just for you.

Autumn-Matic Snack

You're going to want to try this yummy snack that's good any time of year. The best part: it only requires two simple ingredients. Check out our [3-step snack sheet](#) to learn how to make this Fall-themed snack that's good any day of the year.

Journal Entry

Tell your journal what your favorite season is and which activity from today you learned the most from!
