

All About Nature

Summertime is filled with adventure and freedom! Join us on an exploration of your closest source of nature! Before we head out on our trek, we will work with the Happy Campers on decorating their Nature Bins. Then we'll find some fun things in nature, decorate our journals and finish the day with a snack and write our first journal entry!

Create a Nature Bin

Use any empty cereal box, oatmeal bin or whatever you can that will be able to hold items you can find outside like rocks, sticks, flowers and leaves! Watch Camp Happy Creator Grace Callwood's [video](#) to find out how you can turn your cereal container into a Nature bin.

Nature Hike

Ever been on a nature hike? Now's a good to explore your neighborhood with a trusted adult. Really look at your surroundings: do you see something in nature you haven't noticed before? What can you collect in your bin that you can use to decorate your journal late today? Be sure to observe social distancing!

Camp Happy Journal

Making the Camp Happy Journal is so much fun! All you need is 15 sheets of loose leaf paper or blank paper, cut in half; sheet of construction paper or card stock cut in half to make the front and back cover; a hole punch or sharp object like scissors to poke two holes to form your booklet; and rope or string to bind!

Nature Scavenger Hunt

Find these items in nature based on the scavenger worksheet that can be accessed [here](#)! Or, if you can't get outside, check out this fun [indoor scavenger hunt](#) worksheet!

Nature Snack!

A Camp Happy snack time favorite is "Ants on a Log" and we are so excited to have a very [special guest – Chef James](#) – teach you how to make this special treat. You don't want to miss this video!

Enrichment: Journal Entry

End your day writing your first entry in your Camp Happy journal!

We'd love to see your Camp Happy pictures. Tag us on social media @wecancerve
