

# SOUNDS AROUND BRAZILIAN RAINFORESTS

**BRAZIL**

## Brazilian Maracas

## What you need

- 2 plastic spoons
- About 2 or 3 inches of Duck Tape
- 1 plastic egg
- 1 cup of seeds or rice

First you fill your plastic egg with seeds or rice. Then you put the egg in between the 2 spoons and duck tape the egg and 2 spoons together as one like as shown in the picture.

## Brazilian Guitar

## What you need

- 1 empty tissue box
- 5 rubber bands
- 1 pencil [if you choose to do it like the one on the right]
- Decorations [if you choose]

First you take an empty tissue box and put 5 rubber bands on it either vertically or horizontally. If you put the rubber bands vertically, then next you will put a pencil near the bottom of the box as shown on the picture to the right.

## Brazilian Rain Stick

## What you need

- 1 empty paper towel roll
- 1 or so cups of seeds or rice
- 1 piece of construction paper
- Decorations [if wanted]

First you cut out a circle the size of the end of the empty paper towel roll. You then glue or tape that circle to one end of the paper towel roll. Then you fill it with seeds or rice. Then you cut out another circle and put it on the other end to Close it. Now you have your rain stick!

## Brazilian Windpipe

## What you need

- 10 straws

First you take an empty tissue box and put 5 rubber bands on it either vertically or horizontally. If you put the rubber bands vertically, then next you will put a pencil near the bottom of the box as shown on the picture to the right.
